About the arranger, Ian Deterling

As a composer and arranger, I strive to find a balance between making a work aesthetically intriguing while accessible for musicians of varying skill levels. My works and arrangements have been performed by educational ensembles at high schools and colleges as well as amateur community bands, orchestras, and ensembles all around the world. More demanding works in my portfolio have attracted the attention of members from prestigious organizations such as the London Symphony Orchestra, the São Paulo State Symphony, and the San Antonio Symphony.

I carry not only a passion for creating, but a devotion to sharing my work, ideas, and unquenchable thirst for knowledge. In pursuit of a deeper understanding of everyday life, I teach students to approach their education with enthusiasm and to always reach for deeper insight. I live by the principles I teach and strive to maintain relevance as an instructor in my field through frequent performances of my works, my creative portfolio, and my professional network. As a lifelong learner, I am continuously experimenting with new techniques, approaches, and ideas.
