Performance Notes:

High/Low Parts

Parts 1 (C), 1 (B♭), and 2 (C) have 'High' and 'Low' individual parts; these are not divisi. They are written in the score on the same staff, but separated into high notation/low notation in parts (so the musicians don't have to be staring at octaves the majority of the time).

Small Noteheads

A few parts include smaller noteheads when notes fall out of range of a certain instrument (example: Part 2 F, measures 1-2; see below). Directions for which instrument is to play the smaller noteheads is included in both the score and part.
